Builders may access their account 24/7 at www.integrawater.com. To gain access to the account, the customer will need their unique Customer and Pin numbers. The identifying numbers are available after the first billing cycle and will be located on the statement.

Builder accounts are activated upon set of meter and billed on the next billing cycle. Please make sure ALL Lots & Boxes are properly marked for meter sets prior to mailing this packet or it could lengthen the process time. Builder accounts cannot be finalized until the New Owner utility account has been set up.

Builders may also have access to their account by calling our toll free Customer Service Department 1-877-511-2911.
