I, we, the undersigned ("Consumer") hereby request water/waste-water service from Integra Water, LLC or its subsidiaries ("Utility") at the Service Address and for the use stated below and none other. Utility shall have exclusive right to furnish such service(s) to the Service Address. Consumer will read and comply with the **Water & Waste Water Policy Manual** available at www.integrawater.com or upon request from Utility at the address shown above. The signed Application, together with a copy of Consumer's valid Driver's License and applicable Charges, must be submitted to Utility at the address set forth above. Consumer further agrees that:

- (4) Consumer grants and guarantees free right of access by Utility employees, agents, and contractors to meters, connections and other property of Utility at the Service Address without obstruction (e.g., shrubs, decks, porches, vehicles, animals, fences, etc., or human intervention); and
- (5) Consumer will keep the service line, all other piping, all plumbing fixtures and fittings and all appliances at the Service Address (not including meters maintained by the Utility) in good and safe operating condition, first notifying the Utility prior to having repairs made to the service line, and will report immediately to the Utility any leaks discovered; and
- (6) Consumer **will not connect supplementary water or sewer service** to a new or existing meter or connection on Utility's system. Consumer agrees that a separate tap with associated Charges will be required for each building or structure at the Service Address; and
- (7) Consumer will notify Utility within 10 days prior to vacating the Service Address or service discontinuance for any reason; and
- (8) Consumer will install, at Consumer's expense and pursuant to Utility specifications, the service line from Utility's distribution system to the point of use at the Service Address. Consumer is responsible for obtaining correct specifications from Utility for service lines. Utility has the sole right to determine the location of the service line's connection to the Utility's distribution system. Utility will not refund any payments made by Consumer for extension of water or waste-water distribution lines to the property line of the Service Address unless required under a separate agreement with Utility; and
- (9) Consumer agrees that Utility may install or cause to be installed a cut-off valve on the water service line at the Service Address, and that upon a Default, Utility has the absolute right 10 days after mailing notice to the Service Address to stop water and waste water service to the Service Address by use of the cut-off valve. Utility has the right to do so without notice in the event of an emergency or if damage to Utility's system or plant is likely to occur or Utility is otherwise likely to incur liability. **Use of the cut-off valve to terminate waste-water service will also result in the termination of water service, but Consumer must continue to pay the minimum fee for water service if required by the water service provider.**

In addition, Consumer does hereby releases and forever discharge the Indemnified Parties from all loss, claim, damage and expense to property, person or otherwise and of every kind arising from any service interruptions or other conditions or occurrences arising from or relating to use of the cut-off valve, water or waste water line breaks or blockages, tampering, failures of the Utility system, acts of God, fire, earthquake, flood, explosion, war or hostilities, any act of terrorism or belligerence, riot, public disorder, expropriation, requisition, confiscation or nationalization, rationing or allocation (whether imposed by law, decree, regulation or industry insistence), restraint by order of court or governmental authority, inability to obtain necessary approvals from any governmental authority, epidemic, quarantine, strikes or combination of workmen, labor disturbances, failure or breakdown of facilities and/or equipment (whether or not resulting from any cause listed above), changes in laws or regulations, termination or restriction of rights under any license, franchise, easement, right-of-way or other agreement for any cause whatsoever or any other event, matter or thing, wherever occurring, which shall not be within the reasonable control of Utility (each a "Force Majeure Event").
