

E/One Grinder Pump Limited Warranty Acknowledgement

By signing this limited warranty, I understand that I ("Owner") have a limited warranty for my E/One Grinder Pump. Integra Water Madison County, LLC ("Integra") assigns its right to any manufacturer warranties on equipment or materials, if any, to Owner. This warranty is in lieu of all other warranties express or implied, including any warranties of merchantability or fitness for a particular purpose. The Owner must make any claim under the manufacturer warranty to Integra Water Madison County, LLC and the Utility will take action as provided in the manufacturer warranty.

For an additional fee in the amount of \$12/month that appears on my monthly bill in addition to my regular monthly service fee, Integra will service and repair the E/One grinder pump so long as the pump is used as directed and as provided in the manufacturer warranty. Integra shall have no obligations for damage or defect caused by abuse or others not under Integra's control; modifications not executed by Integra; improper operation; vandals and animals; acts or God; and normal wear, tear, and usage. The exclusive remedy of Owner shall be that Integra will replace or repair any part of its work which is found to be defective. Please refer to your *Homeowners Guide* for items that should **NOT** be introduced to the Grinder Pump or low-pressure sewer system.
